Dear Corporate Sponsor:

It has been said that quality is easy to praise but difficult to define. Often in our State's history we have been overlooked in terms of producing quality programs. In an effort to capture this elusive characteristic, I would like to use the following facts to highlight and define a quality program in our area. Let me state from the beginning that as a business person you recognize quality, and have been an active supporter of our area.

The Oak Grove High School Warrior Marching Band is one of our State's premier band programs. This band has received "ALL SUPERIOR" ratings at every contest entered for many years. It consistently is recognized as one of the best and largest band programs in our state.

There are a number of reasons for the success of this band program. Committed band directors, motivated students, helpful families, and a supportive administration all contribute. The band has a dedicated booster organization responsible for this sponsorship program. Although our students and parents contribute time and resources regularly, your support is essential in elevating this program to our State's top position.

Our band program seeks your support through participation in our "ALL SUPERIOR" Corporate Sponsorship program. By choosing to participate will not only reap benefits for your business, but you will know you are contributing to help this band program realize its goals and rise to its potential. With your patronage we will bring recognition to our area and enhance the lives of our young people through participation in this quality educational experience.

I thank you for your time and for giving this request serious consideration. I would welcome the opportunity to further discuss this program with you and share my personal excitement for the outstanding Oak Grove High School Band Program.

Sincerely,

"ALL SUPERIOR" Sponsorship Program
